Print prices are listed at the bottom of this document, or they can be found by clicking on the *prints* link in the packages section of my website.

To order via email, you will need to do the following:

- Make a list of the images you require, the quantity and the size and email the list across to me. Ensure you put the name of the wedding and *Reprints* in the message title and include your name and address in the body of the message.
 - Print numbers can be found to the bottom left of the picture (circled below)

- Calculate the amount for the prints and send a cheque, made payable to Simon Wallace, to the address at the bottom of the order form.

If you are going to post your order, you will need to do the following:

- Print and complete the order form as necessary
- Mail to the address provided, complete with a cheque made payable to Simon Wallace

Once your order and your payment have been received, images will be printed and dispatched. Turnaround for images is usually between 7 and 10 days.

I hope these instructions are straightforward and user friendly. If you do have any questions, please send an email.

I do not use High Street photolabs for final print work; all images are printed by a professional laboratory using laser imagers coupled with long life papers for optimum quality results.
